

Announcement of Army Cyber Center

Subject: Declaration of willingness to ensure The Transparency Operation and to prevent and challenge corruption

Army Cyber Center is a division, of which the obligation involves the Cyber Operation and the development of Cyber preparation for the army. Thereby, this division is ready to support government measures regarding prevention and challenging corruption so that our staffs and the outsiders rely on our operations based on morality and good governance. Therefore, I, on behalf of Director of Army Cyber Center, pledged to conduct the operations and fulfill the obligations with honesty and transparency and shall take responsibility in case of injustice and corruption within our division.

I, hereby, declare willingness of Army Cyber Center to, as follows:

1. Emphasize the effective operations based on honesty, transparency and taking responsibility.
2. Support any operations of our division by appointing committee to provide inspection and take an equilibrium for all operations for the purpose of rightness and transparency.
3. Pay great attention to the assignments with rightness and equality.
4. Emphasize the budget execution according to the principle of transparency, worthiness and accountability.
5. Emphasize the procurement process with honesty and transparency in accordance with the government regulation, providing worthiness and accountability.
6. Prevent corruption based on the operations with honesty and transparency, in which the staffs of our division shall not receive bribes, such as money, things or other benefits from the interested persons.
7. Provide anyone, who informs about corruption and corrupt behavior, with confidence and protection from injustice.
8. Inform all staffs about this declaration for further operations with transparency and challenging corruption and all staffs shall follow this regulation.
